Leader: God is with us and calls us here today.
People: **We cry out to God; We look everywhere for answers.**
Leader: We are people of the new covenant. In Christ we place our trust.
People: **God will not forsake you. God rescues and delivers each one of us.**
All: **We stand at the cross confused. One life for ALL of US? How can this be? For God so loved the world!**

St. John
the Beloved
