

~Call To Worship~
Sunday, February 23, 2025

Leader: Come, all who dream and all who wrestle with their identity. Like Joseph, who saw visions of God's purpose yet struggled with rejection, we bring our hopes and heartaches to the Lord.

People: We come, longing to be fully known and deeply loved.

Leader: Those who feel set apart, know this—God sees your uniqueness, your longing, and your beauty.

People: In our dreams and in our doubts, God is with us.

Leader: Let us worship the One who weaves every joy and sorrow into a perfect plan.

People: We worship the God who calls us beloved!
